

THURSDAY 18.09.2025		
		Author/s
Plenary Session	Welcome and Opening Remarks	
	Making natural capital visible in municipal decision-making through ecosystem accounting	Leena Kopperoinen, Emmi Nieminen, Erkka Hurtola, Tin-Yu Lai, Elise Järvenpää, Pinja-Liina Jalkanen, Maria Söderholm, Kaisa Mustajärvi, Kalle Salovaara, Vesa Vanninen, Jonna Luukinoja
	Landscape as a Reflection of Human Action: Tracing Ecosystem Service and Identity Shifts in (Post)Authoritarian Lithuania	Ieva Misiune, Dariusj Veteikis, Ričardas Skorupskas, Julius Mačiulaitis, Jurgita Mačiulytė
No. of Conference Session	Session Title & Contributions	Author/s
1	CULTURAL ECOSYSTEM SERVICES ACROSS LANDSCAPES AND SCALES Assessment of Cultural Ecosystem Services for Landscapes of National Importance in Latvia Mismatch Analysis of Cultural Ecosystem Services in Natural Areas: A Case Study in Southern Italy Shifting patterns of cultural ecosystem service demand characteristics across spatial scales: a case study from Finnish urban areas Integrating cultural ecosystem services into the EnhancES toolbox Assessment of the potential for providing of Recreational Forest ecosystem service in National Park Poloniny region Urban riverscapes and well-being: What attracts visitors and deters non-users?	Aiga Spāge Milena V. Sokolova, Severino Romano, Mauro Viccaro, Fabrizio Pedes, Costantino Sirca, Donatella Spano, Mario Cozzi Anita Poturalska, Terhi Ala-Hulkko, Janne Artell, Katja Kangas Harald Zepp, Malte Bührs, Lars Gruenhagen, Kathrin Specht, Barbara Schröter, Chiara Iodice, Emilie Schätte Maros Sedliak, Zuzana Sarvasova, Robert Sedmak Tomasz Grzyb, Sylwia Kulczyk
	ECOSYSTEM SERVICES FOR SUSTAINABLE FOOD SYSTEMS Elements Of Green Infrastructure Of Agricultural Landscape And Their Ecosystem Services Urban Allotment Gardens In Post-Communist Czechia: Spatial Analysis, Typology, And Ecosystem Services Assessment Understanding perceptions: farmers' and public prioritization of ES in Czech agricultural landscapes Mapping local food heritage in Poland Nature's contribution to food. How local food studies assess the co-production of ES? The Impact of Agricultural Activities on the Ecological Footprint in Eastern European Countries: Application of the NARDL Model	Adeeba Rashid Barbora Duží, Petr Dvořák, Šimon Jelínek Lenka Dubová, Jiří Louda, Jan Macháček Alina Gerlée, Małgorzata Harasimowicz, Maria Zachwatowicz, Marta Grzywacz, Sylwia Kulczyk, Marta Derek Marta Derek, Sylwia Kulczyk, Ada Górna, Alina Gerlée, Luis Inostroza Daiva Makutėnienė, Valdemaras Makutėnas, Algirdas Justinas Staugaitis, Vardan Aleksanyan
3	ADVANCING ECOSYSTEM ACCOUNTING FOR NATURE-POSITIVE FUTURES Towards Sustainable Finance: Examining Green Bond Issuance Drivers and Pathways for Advancing the SDGs Implementing a Water-Related Payment for Ecosystem Services Between a Protected Area and a Water Service Operator Applying a PPGIS survey for urban ecosystem service accounting: educational and recreational services in Pirkkala municipality, Finland	Vilma Kazlauskienė, Algirdas Justinas Staugaitis Francesca Visintin, Stefano Santi, Francesco Marangon, Stefania Troiano Tin-yu Lai, Erkka Hurtola, Kalle Salovaara, Vesa Vanninen, Jonna Luukinoja, Leena Kopperoinen, Pekka Hurskainen, Elise Järvenpää, Maria Söderholm
	From Maps to Services: Evaluating Other Wooded Lands for the EUDR with evidence from the Cerrado biome.	Mathew Tello, Juliana Freitas Beyer, Margret Köthke, Melvin Lippe
4	BROADENING OUR PERSPECTIVE ON ECOSYSTEM BENEFITS Law as a Factor Affecting the Implementation of Knowledge on Ecosystem Services Interactions into Practice The mapping and assessment of ecosystem services within the Integrated Monitoring of the Natural Environment program in Poland Green Gentrification in Chile: A Socio-Ecological Framework Using social media data and eye tracking in landscape preference analysis Ships Passing in the Night: Legal Scholarship and the Neglect of Ecosystem Services Exploring Sustainable Consumption: A Study of Shopping Habits in Lithuania	Justyna Goździewicz-Biechońska, Anna Brzezińska-Rawa Piotr Lupa, Andrzej Kostrzewski Ernesto López-Morales, Luis Inostroza, Nicolás Herrera, Ana Luisa Araos, Vicente Mosso Monika Lebiedzirska Karolina Karpus Algirdas Justinas Staugaitis, Gintarė Vazonienė, Bernardas Vazonis
	FRIDAY 19.09.2025	
		Author/s
Plenary Session	Valuing the Ecosystem Services of Urban Trees: A Remote Sensing Case Study from Wrocław, Poland Moving beyond living places toward active mobility routes to ensure daily provision of urban ecosystem services	Zbigniew Szkop Edyta Łaszkiewicz
No. of Conference Session	Session Title & Contributions	Author/s
5	ENGAGING COMMUNITIES IN RECOGNIZING AND MANAGING ECOSYSTEM SERVICES Beyond the Hype: What Can Citizen Science Really Do for Urban Planning? How people perceive the accessibility and attractiveness of formal and informal green spaces? Between the Perception of Temperature, Building Characteristics and Green Areas: A Study Tool Concept GeoSenEsm: A Mobile Application for Enhanced Experience Sampling with Temperature and Humidity Sensors Willingness to pay for landscape benefits: Examining variation by landscape type in Lower Silesia, Poland Linking Emotional Well-being and Ecosystem Services in University Green Spaces	Gabriel O. Vânău, Diana A. Onose, Mihai R. Niță, Athanasios A. Gavrilidis Magdalena Anna Biernacka Zuzanna Z. Kurowska Marcin Witkowski Piotr Krajewski, Katarzyna Zagórska, Marta Sylla, Marek Furmankiewicz, Iga Kołodyńska, Monika Lebiedzirska, Mikołaj Czajkowski Maria Viota
	UNDERSTANDING AND ENHANCING URBAN ECOSYSTEM SERVICES Understanding The Impacts Of Climate Change And Landscape Changes On Urban Ecosystem Services	João D. David, Carlotta Quagliolo, Meng Li, Luiz Filho, André Mascarenhas, Manuel Wolff, Sebastian Scheuer, Elena Ferrari, Felipe S. Campos, Pedro Cabral, Dagmar Haase Vahid Amini Parsa, Babak Chalabiyani
6	Tree-based Solutions (TBS) to Improve the Provision of Ecosystem Services from Urban Forests Supply and demand of ecosystem services in urban forests through an integrated assessment framework Inclusive nature-based solutions in urban ecosystems: Lessons learned from case studies across Europe Integrating Ecosystem Services into Campus Planning: A Conceptual Proposal for Morasko Campus, Poznań	Bitá Koushki, Umberto Grande, Chiara Monteleone, Francesc Rendina, Elvira Buonocore, Pier Paolo Franzese Cristina Gabriela Mitincu, Constantina Alina Hossu, Ioan Cristian Iojă, Maria Alexandra Calotă, Mihai Răzvan Niță Katarzyna Niemier
	LINKING ECOSYSTEM SERVICES AND CONSERVATION NARRATIVES A systematic review of the impacts of tourism on Marine and Coastal Ecosystem Services Ecological Signals in the Landscape: A Biodiversity Mapping Approach for Planning and Policy Countrywide Mapping of Goldenrod Invasion and Assessing Its Impact on Ecosystems and Human Well-Being: Project Scope and Initial Results	Eglė Baltranaitytė, Miguel Inácio, Luís Valença Pinto, Katarzyna Bogdziewicz, Jorge Rocha, Eduardo Gomes, Paulo Pereira Viktoria Takacs, Piotr Tryjanowski, Janusz Kloskowski, Aleksandra Langowska Andrzej N. Affek, Anna Kowalska, Ewa Kołaczowska, Edyta Regulska, Jacek Wolski, Zofia Jabs-Sobocińska, Bożena Omeliańska, Martyna Zarzycka, Anna Jarocińska, Marlena Kycko, Edyta Woźniak, Marek Ruciński, Małgorzata Jenerowicz-Sanikowska, Szymon Sala Jakub Kronenberg, Erik Andersson, Chris Sandbrook Monika Mętrak, Elżbieta Rojan, Marlena Kycko, Marcin Sulwiński, Małgorzata Suska-Malawska Sviataslau Valasiuk
7	Beyond ecosystem services: Bird conservation narratives used around the world Impact of climate change on the ecosystem services of high mountain wetlands in the Eastern Pamir Is International Free-Riding Immanent To Transboundary Spatial Conservation?	
	COOLING THE CONCRETE JUNGLE WITH TREES Hidden in the Shadow of Trees: Exploring Urban Residents' Perception of Tree-Related Ecosystem Service and Its Relation to Heat-Prone Areas Simulating Urban Heat Island with High-resolution Regional Climate Model in China Urban Heat Island in Warsaw: The Role of Urban Greenery in Its Modification Comparisons on Spatial-temporal Characteristics of Urban Heat Island in Beijing and Warsaw Based on High-resolution Simulation Urban heat stress mitigation – cooling with trees and vegetation	Abdurrahman Zaki, Patrycja Przewoźna, Piotr Jabkowski Deming Zhao, Jian Wu, Jinlin Zha, Yu Bo Magdalena Kuchcik, Kaja Czarnecka, Jarosław Baranowski, Katarzyna Lindner-Cendrowska, Sandra Słowińska Deming Zhao, Jian Wu, Yu Bo, Jinlin Zha Karolina Kais, Joanna Kosno-Jończy, Kacper Rybicki, Kinga Mazurek, Marzena Suchocka, Magdalena Błaszczyk
8	EXPLORING ECOSYSTEM SERVICES: DIVERSE APPROACHES AND APPLICATIONS Tree management in urban and rural areas with the Ecosystem Services approach - perspective and challenges based on the iTre-es project results Assessing Ecosystem Health in Lithuania: Key Drivers and Trends The impact of restoration of Lithuania's peatlands on the value ecosystem services Cultural Ecosystem Services of Allotment Gardens (AG): Analysis of plot structure and use in Łódź, Poland Ecosystem Services after forest dieback Why this forest and not another one? Why more often "me" than "others"? How Microclimate Shapes Bumblebee Behavior and Pollination: Insights from Automated Tracking Landscape ecological plan - a basic tool for the sustainable use of ecosystem services Resistance and species diversity of alpine vegetation under the influence of trampling (experimental study) Landscape archetype as entity of landscape ecology research Green Redevelopment Aspects of Landfills – Geotechnical and Ecosystem Services Restoration Challenges for Real Estate Beneficiaries	Patrycja Przewoźna, Piotr Matczak Gintarė Sujetovienė, Giedrius Dabašinskas Giedrius Dabasinskas, Gintare Sujetoviene Konrad Budziński, Renata Włodarczyk-Marciniak, Agnieszka Bednarek Emilia Wysocka-Fijorek, Agnieszka Kamińska, Mariusz Ciesielski, Krzysztof Stereńczak, Adam Kaliszewski Mariusz Ciesielski, Agnieszka Kamińska, Kamil Choromański Andrzej Affek, Anupreksha Jain, August Easton-Calabria, Nicole DesJardins, James Crall Zita Izakovičová, Veronika Piscová, Juraj Hreško Veronika Piscová, Juraj Hreško, Michal Ševčík, Zita Izakovičová, Terézia Slobodová Juraj Hreško, Gabriel Bugár, Veronika Piscová, Zita Izakovičová Juris Burlakovs, Zane Vincevica-Gaile, Maija Fontaina-Kazeka, Maris Krievans, Martins Vilnitis, Mait Kriipsalu
