Friday 19.09.2025

Informal Meeting 20:00

For all interested, self-payment, location:
Craft Beer Pub Piwna Stopa
ul. Szewska 7, 61-760 Poznań

Move around the city

We recommend using public transportation to reach the conference venue.

Journey planning can be facilitated by using dedicated free mobile applications, which contains the current timetables of public transport along with the maps.

The apps are available in English. If you allow it to see your location, it can show you the best connection from wherever you are (it shows both buses and trams).

<https://jakdojade.pl/poznan>

➤ Types and forms of tickets

Single-use time tickets for 15, 45, 90 minutes or 24-hour.

You can buy tickets from ticket machines at the bus stop, kiosks at the airport, onboard the bus or via mobile app ( jakdojade.pl).

Tickets can be purchased at the terminal located in vehicles on ZTM lines using a payment card or an NFC-enabled mobile device (smartphone, smartwatch) to which the payment card is connected. Tickets are not printed, and the terminal does not print a transaction confirmation.

When purchasing a ticket in the app, it must be activated. This can be done in two ways:

- by scanning the QR code placed in the vehicle (above the windows, opposite the door),

or

- by entering the vehicle number, which is located next to the QR code on the sticker inside the vehicle and on the driver's cabin, as well as on the front and rear of the vehicle and on the side walls, among others.
